H: 33.50

Albany offers simple, straightforward styling sure to complement any space. The straight lines and box shape are modern and timeless. The brushed metal legs, available in square post and thin sled, dress the piece up while the tufted or smooth back options allow for personal detailed design. Upholstery and cushions constructed from CFC free and recycled material make this piece a natural choice.

W: 18.00
D: 18.00
H: 20.00

The Albany rounded and cube tables are substantial in size with a light lift from brushed steel legs, resulting in a perfectly balanced occasional table. The pieces work well with many designs, due to their squared and rounded profile options. The tables are available in all our standard wood veneer stains and species, with or without a solid surface or laminate top.
