Our Kenzie Modular Seating defines any space with a large sweeping curved or straight unit that promotes collaboration.

The timeless lines of these tailored lounge pieces are well complemented by six different ottoman choices, inline and stand alone coffee tables, fixed and adjustable height laptop tables, and ton of options.

Make it yours with a choice of high, low or no back, wood or metal feet and curved, serpentine or straight configurations.

Add a flush mount Power Module with 2 receptacles and dual USB for functionality and accessibility. Whatever you're looking for, you can find it with Kenzie.
