elevated design

Our extensive experience designing furniture to meet customer aspirations while maintaining the fundamentals of holistic care is simply and affectively achieved.

Any standard or custom product can be manipulated to meet a project's precise requirements, be they fire retardants, non-ferrous fasteners, increased weight capabilities, elevated seats, moisture barriers, UV inhibitors and bleach cleanable finishes.

We also offer anti-microbial solid surface options that can be bonded to arm caps and used as surfaces for any of our tables or counter tops to ensure a sterile, safe and beautiful environment. From reception areas to on-call rooms, Coriander Designs is your partner for elevated design.
