American Made

At Coriander Designs, we are proud to manufacture all our products in America. Since 1979, our commitment to keeping all production in the USA has resulted in a smaller eco-footprint, local job creation and long term manufacturing stability. With over 44,000 square feet of space, our Woodinville Washington headquarters is fully equipped to handle all our clients' needs efficiently and effectively. We offer an extensive catalog of seating, desking, storage and conference solutions for state, local and federal government agencies - all manufactured and assembled in the USA and backed with a 10 year warranty.

Elevated Design

Our extensive experience designing furniture to meet customer aspirations while maintaining the fundamentals of holistic care is simply and effectively achieved. Any standard or custom product can be manipulated to meet a project's precise requirements, be they fire retardants, non-ferrous fasteners, increased weight capabilities, elevated seats, moisture barriers, UV inhibitors and bleach cleanable finishes. We also offer anti-microbial solid surface options that can be bonded to arm caps and used as surfaces for any of our tables or counter tops to ensure a sterile, safe and beautiful environment. From lobbies to conference rooms, Coriander Designs is your partner for elevated design.

in room

We believe in the "creation of an environment" within healthcare facilities - taking great pride in creating environments that offer flexibility, versatility, space-saving and clean-ability. To that end, we've worked with designers and facility managers to create custom and standard solutions for in-room care for patients, physicians and staff.
