9010-HLT-REC2-RECB

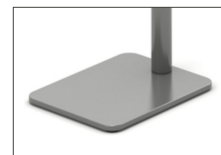

W: 12.00
D: 18.00
H: 20.75-30.75

The height-adjustable mechanism is so simple all you have to do is lightly pull the table up to your perfect height or press down above the column to move the surface lower. No latch or trigger to fumble with. The top adjusts from 20.75" high to 30.75". Hattie is available with either a choice of Designer White 1/4" Solid Surface or Antibacterial Laminate applied to a premium birch plywood sub-top.
